Hi Ed and Lora

We look forward to meeting with you next Wednesday.

As you know EPA, DEC and the water districts (MWD, SFWD, BWD) have agreed to meet on a quarterly basis. It is our intention to request your participation in those meetings at some not too distant point in time. We believe that improved communication and coordination will ensure that all parties are aware of the important work being done, and facilitate the performance of future work in a more timely and efficient manner.

We thought it would be helpful for you to see the notes (attached) from the December 16 EPA/DEC/water districts meeting.

Have a good weekend.

Doug
